Sir,

Sub: Industries - Sericulture - Offices of the Sericultural Expert and Assistant Sericultural Expert, Kollegal - Purchase outside Jail Department - Permission - Requesting.

The Sericultural Expert has asked for sanction to purchase certain standard articles of furniture required for the use of the two Assistant Sericultural Experts, the Mulberry Assistant and the additional staff sanctioned for the Sericultural Expert's office. The Central Jail, Vellore has estimated the cost of such furniture at Rs.1760/- delivery at the jail premises, packing and forwarding charges being extra. The Superintendent of the Jail has also reported that the articles of furniture required are not available for immediate supply, but that they could be

manufactured in about a month's time. It may take another month more for the furniture to reach Kollegal. Considering the present day transport difficulties especially when several transhipments at different points are involved as is the case for transport of articles from Vellore to Kollegal, and considering the expenditure involved and the possibility of the articles getting damaged during transit, the Sericultural Expert requests permission to purchase the articles outside the Jail Department, either at Bangalore or at Mysore at the lowest price obtainable. In the circumstances and in view of the urgency of the Sericultural Expert's requirements of furniture, I request that Government will be pleased to permit their purchase outside the Jail Department (i.e.) at Bangalore.

~~The draft order may be accepted, subject to the following remarks~~

With reference to the Director's remarks in his letter on pp.9-10 C.F. it is submitted that the money limits contained in item 23 of Appendix 7 of Madras Financial Code Vol.II refer to the cost of

(a) each article purchased at any one time; or

(b) any number of articles of the same kind purchased at any one time, whether for one office or a number of offices.

The proposal of the Director of Industries and Commerce falls under the second alternative and therefore the sanction of the Govt. is necessary even though the cost of each article is less than Rs. 500. The first alternative contemplates the case of purchase of a single article

at a particular time, Development may be requested to inform the Director accordingly.

2. The furniture is stated to be required for the use of the following staff

- 2 Assistant Sericultural experts
- 1 Mulberry Assistant
- 1 Manager
- 1 Accountant
- 1 typist.

As the typist is to replace the pre-existing permanent lower division clerk, no separate furniture will apparently be required for him. Item (3) on p.10 C.F seems therefore, unnecessary As regards other articles of furniture mentioned on pp.9-10 C.F. they seem to be on a lavish scale for the staff referred to above (5 persons). Development may be requested to ask the Director of I & C to explain in detail the necessity for the purchase of furniture proposed by him specifying the particulars of the staff for whose use they are required and the dates from which they were employed.
